The Figure of the Stars in the Conſtellation of Cygnus ; *together with the* New Star *in it, diſcover'd ſome years ſince, and very lately ſeen by M.* Hevelius *again.*

THe Relation concerning this *New Star* in the *Breſt of Cygnus*, very lately diſcovered again at *Dantzick*, by M. *Hevelius*, was publiſh't *Numb. 19. p.* 349. The *Figure* of that *Conſtellation*, with the *New Star* in it, was thus, haſtily drawn, ſent over by that Obſerver.
